Notice: 17th March 2020

BTC Club Status due to Coronavirus (COVID-19)

British Taekwondo Council, the NGB for Taekwondo in the UK, is receiving a number of phone calls from instructors regarding what should they be doing regarding the continued operation of their schools.

The BTC as of 12 noon on 17th March 2020 are operating under advice and guidance from Government and partner agencies:

1. If your school is currently operating within an education facility that has been closed, the operation of the school may well be out of your hands and it is in the hands of the host school to determine whether you can operate.
2. If the facility you use does allow you to operate, then the BTC guidance is that of a private owner-operator. At this time the training halls and dojangs can remain open, giving the participant the choice of whether to attend training or not. The BTC will also follow the Government and NHS guidelines that any of your members 70yrs+ and/or those who have underlying health conditions, should take the further advice available to them on the NHS website or via their GP practice.
3. Please note, any Government instruction that supersedes the date and time of this BTC notice will of course take precedence.

Thank you for your support and co-operation.
