BTC COVID-19 Update 17th July 2021

Easing of Lockdown Measures in Northern Ireland as detailed by [nidirect](#)

Outdoor Sport

All outdoor sport, formally organised or informally, is permitted.

To determine the maximum number of people permitted to attend or participate in an outdoor sporting activity/event, the organiser or operator must carry out a risk assessment.

Outdoor sporting activities/events of 30 people or fewer do not need a risk assessment.

Indoor Sport

All indoor sport, formal or informal, is permitted (subject to risk assessment and appropriate mitigations).

A risk assessment must be completed where there will be more than 15 people taking part.

Changing rooms and shower facilities can be opened, but use should be avoided (arriving in kit and showering at home) or minimise the time spent in the changing area.

Please check the updated [BTC Risk Assessment](#) for NGB guidance and mitigations where safety measures are indicated.

Transmission of the COVID-19 virus remains high, and most children and young people have not been vaccinated. Those who have been vaccinated may still catch, experience mild or severe symptoms and transmit the virus. Anyone notified that they should self-isolate should not leave their place of isolation to participate in sport or physical activity. Anyone displaying any COVID-19 symptom(s) should NOT attend training.
